Module 4: Where You Live and Work

[INTROM4] The questions in this section are about places where you have lived and worked. Where we live and our daily commute to and from our homes, work, and school can affect our health in a number of ways.

Residential History [SECTION 1]

[INTRORH] The next questions ask about where you live now and where you have lived in the past. It is important that you share exact addresses, if possible. If you cannot remember your full address, please share as much information as you can.

You can include rural routes (RR) in your answers, but please do **not** include post office (PO) boxes.

R1. [HOMEADD1] (***IF 1ST TIME THROUGH LOOP***) What is the full street address of the place where you live now?
  (***IF 2ND – 11TH TIME THROUGH LOOP***) What is the full street address of the place you lived before you moved to the place you live now? Please only include addresses where you have lived for **at least two years.**
